DISCOVER THE UNREAL AND BE PREPARED TO PLAN YOUR RETURN!

From the moment you sign-up until years after you return, this trip will top your list of conversation starters. You'll want to share it all!

As we leave Toronto, we head for Istanbul, Turkey, one of the world's most intriguing and beautiful cities. The hospitable Turks are likely to ask you in for Tea more than once so you might have several stops between the stunning sites of this beautiful city.

Then it's off to Male, our departure point for a spectacular week aboard the Emperor Explorer, the region's LATEST top Liveaboard. During the week you'll immerse yourself in enormous schools of butterflyfish and oriental sweetlips; drift the channels with white tips, hammerheads and whale sharks; descend deep sea ridges with eagle rays, giant napoleons and blue marlin; spot turtles at dawn, dolphins at dusk and mass seasonal gatherings of manta rays. Or perhaps you'll simply marvel at the "weird and wonderful" creatures that inhabit the vast reef formations and unique Maldivian underwater pinnacles.
