Chuuk, better known as Truk Lagoon, is one of the most unique dive destinations you will ever experience. It offers the best combination of wreck, reef, and historical diving on the planet. You'll be a guest in an underwater WWII Museum, complete with artifacts ranging from army tanks, downed aircraft, howitzers, and more. You'll also enjoy some fabulous reefs covered in hard and soft corals.

The comfortable Truk Odyssey has been guiding divers in these waters since 1999 and is a favourite among divers. This trip is suitable for both recreational and technical divers.
