## EXPERIENCE THE **BAHAMAS** LIKE NEVER BEFORE

The Juliet sails and dives where no one else goes! You won't see another dive boat – or any boat some days – for miles. They start out diving the Bimini Chain and travel south towards Orange Cay, stopping at dive sites such as Bull Run, Nodules Wall, and Victory Reef to name a few. South of Orange Cay is amazing diving along the edge of the Grand Bahama Bank and the Santaren Channel. These remote sites are some of their best kept secrets, dove exclusively by Juliet passengers, and they feature an abundance of life comparable to premier dive destinations around the world. With good weather and adventurous guests, we'll even cruise up to West End to explore the sharky waters off Grand Bahama.

You will enjoy up to 4 dives per day (including a night dive).
